

TEMPLATES FOR STORING MASSIVE PASSIVE SETTINGS

MANLEY MASSIVE PASSIVE STEREO EQUALIZER control panel template. The panel features four frequency sliders (22-1K, 82-3K3, 220-10K, 560-27K) and four gain sliders (0-20 dB). Each frequency slider includes a 'BOOST' knob, an 'OUT' knob, and a 'SHELF' knob. The central section contains a 'POWER' knob, a 'GAIN' knob, and two 'LOW PASS' filters (18K-6K and 12K-7K5) and two 'HIGH PASS' filters (22-120 and 22-120). The 'MANLEY' logo is prominently displayed at the top center.
